Parish News & Announcements:

A FEW WORDS FROM FR. JOE.....

Commenting on the beautiful weather during the week, Ryan Tubridy was asking himself if this could be a sign of climate change? Yes, 21 degrees at the end of September is very welcome, but is it a sign of something more

threatening in our eco-system? This one event shouldn't really be much cause for concern, but the many different extreme weather events during the past 12 months of wind, snow, and heat, do seem to create a pattern that does raise issues. People who know about global warming, experts in weather and ecology, are all concerned. Pope Francis has also brought the weight of his influence to bear by writing to the whole world in his letter, *Laudato Si*.

He even gave President Trump a copy when he visited the Vatican, in the hope that he might persuade him to reconsider his position on the international efforts to control the pollution and destruction of the planet.

The bible begins with a description of paradise in the Garden of Eden, which was then lost by sin. Pope Francis wants us to reflect on how we sin by destroying the earth which is our common home, and how we honour God by caring for the earth and respecting our environment.

Every little thing we do to show our care for creation is an expression of our faith and a service to the generations coming after us.

Our Lady's Grove (Jesus and Mary College) would like to invite interested parties to attend guided tours of the school during the afternoon of a school day on **Monday 8th October and Thursday 11th October 2018**.

Please register your interest by contacting the school on 01-2951913.

Entrance Hymn

Lord of all hopefulness, Lord of all joy,
Whose trust, ever childlike,
no cares could destroy,
Be there at our waking,
and give us, we pray,
Your bliss in our hearts, Lord,
At the break of the day.

Lord of all eagerness, Lord of all faith,
Whose strong hands were skilled at the plane and the lathe,
Be there at our labours and give us,
we pray,
Your strength in our hearts, Lord,
At the noon of the day.

Recessional Hymn

Holy God, we praise Thy Name;
Lord of all, we bow before Thee!
All on earth Thy scepter claim,
All in Heaven above adore Thee;
Infinite Thy vast domain,
Everlasting is Thy reign.

Hark! the loud celestial hymn
Angel choirs above are raising,
Cherubim and seraphim,
In unceasing chorus praising;
Fill the heavens with sweet accord:
Holy, holy, holy, Lord.
