Our Common Home

Today we mark the first Sunday of the Season of Creation 2020, which runs from 1
September to 4 October. This special season in the church calendar celebrates the joy of
creation, while encouraging awareness of initiatives to protect the natural environment.
We are reminded during this time of our duty to care for what Pope Francis calls ‘our
common home’. When we hear the word ‘home’, we tend to think of the immediate place
where we live and the people we share it with – our house or living space and our immediate
family, neighbours and community. Each of us lives within a particular web of relationships
that we call home. But we must be conscious too that we live in a wider relationship with the
earth and with all of creation. We all live in a common home, and we all must care for it, and
for each other.

Our gospel today sees Jesus offer some advice about living in community. He first
acknowledges that communities are far from perfect. We all struggle with our relationships
and duties. But he makes one thing clear: in a community, we all have a responsibility to
each other and to work to build harmony.

This responsibility extends beyond our immediate environment to our world. In this Season
of Creation, we remember in particular those across the world who are suffering as a result
of environmental damage. The way we live on this earth has consequences for the world and
its people, and indeed for future generations. Over the next few weeks, let us consider how
we might make some changes that reflect our care for others and for our common home.

‘We need to strengthen the conviction that we are one single human family.’
(Pope Francis, *Laudato Si’*)

Season of Creation 1 Sept – 4 Oct 2020

“Never have we so hurt and mistreated our common home as we have in the last two hundred years,” Pope Francis
The Season of Creation or Creation Time, is marked throughout the Christian world from 1 September to 4 October
(Feast of St. Francis of Assisi) and celebrates the joy of creation as well as encouraging awareness-raising initiatives
to protect the natural environment.

A prayer for our earth from Laudato Si’

*All-powerful God, you are present in the whole universe and in the smallest of your creatures. You embrace with your
tenderness all that exists. Pour out upon us the power of your love, that we may protect life and beauty.*

Fill us with peace that we may live as brothers and sisters, harming no one.

*O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes. Bring
healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and
destruction. Touch the hearts of those who look only for gain at the expense of the poor and the earth.*

*Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are
profoundly united with every creature as we journey towards your infinite light. We thank you for being with us each
day. Encourage us, we pray, in our struggle for justice, love and peace.*

Amen.
