Prayer for Exam Time

Lord, I ask you to help me at this stressful time.

I feel that in addition to carrying my own burdens,

I am carrying the expectations of so many others – family, friends, society.

Help me to keep calm at this time, so that I can think straight and apply myself to the best of my ability. Let your Spirit help and inspire me, so that I can remember all that I have studied and put together my answers in the best way. Guide me in all ways so that I will find fulfilment in You.

Amen
