## Seeing your life through the lens of the Gospel

Matthew 5:13-16

Jesus uses the image of salt as something that makes food tasty. Without salt food can be tasteless. Who are the people who give zest to your life and make it enjoyable? For whom have you done this? When have you been particularly aware of your potential in this regard?

The second image is that of light. Who have been the people who have been a light for you, particularly in moments of darkness? For whom have you been a light? Recall these experiences and give thanks.

The images of salt and light can also be applied to communities to which we belong, a family, a parish, or other group. Thinking of the groups of which you are a member, how can their potential be enhanced to enrich the lives of members and offer them a guiding light? How can you make a contribution to this?

## World Day of Prayer for the Sick - 11 February

Hear our prayer, Oh God, and heal the many illnesses that afflict us in body, mind and soul. Bring comfort to those who suffer. Bring consolation to those who despair. Bring strength to those of us who walk with the sick. Bring hope to all for whom the path to healing is long or may not end. Let us never forget your special care for the sick, that they may also know they are precious and loved. Amen.

## Building Hope

Across the diocese, 90% of parish responses to the *Building Hope* survey last year stated the need for Faith Formation of various kinds.
