### A few words from Fr. Peter

#### He makes all things beautiful in its time:

The persistent rain climaxing in Storm Chandra has been the dominant subject of conversation. Needless to say, it hasn't been a pleasant time with many counting various degrees of losses, but we trust and hope for better days. Indeed, it will be better. There are always positives in every situation. With so much rain, we hope for good harvests. Soon, the soil gets warm, and Spring sets in with daffodils and tulips displaying their beauty and shine. It always gets better, for God makes all things beautiful in its time.

### Prayer to Saint Brigid

Saint Brigid.

You were a woman of peace.

You brought harmony where there was conflict.

You brought light to the darkness.

You brought hope to the downcast.

May the mantle of your peace cover those who are troubled and anxious, and may peace be firmly rooted in our hearts and in our world.

Inspire us to act justly and to reverence all God has made.

Brigid, you were a voice for the wounded and the weary.

Strengthen what is weak within us.

Calm us into a quietness that heals and listens.

May we grow each day into greater wholeness in mind, body and spirit.

Amen.
